

**Performing on stage Canada wide since childhood, Saskatchewan's Sheila Deck has a rare combination of natural vocal ability, superb stage presence and the polish of a seasoned professional. Sheila has a brand new album she wants the world to know about. It's been a labor of love like nothing else in her life ever has. Produced by multi CCMA award winner Tom McKillip, it is full of carefully culled songs featuring songwriters like Victoria Banks, Gretchen Wilson and Sheila herself. Catch her show in 2010!**
